### **Abstract**

Abstract not received

### **Biography of Presenter**

Alexander Stoyanov is CSD Director of Research and Director of the CSD survey research affiliate - Vitosha Research. Since 1990 he has designed and supervised various social and market research projects in the fields of social and economic behaviour, social justice and institutional structure of Bulgarian NGOs, and corruption behaviour supported by UNDP, the World Bank and USAID. He has managed more than 200 quantitative and over 150 qualitative international, national and regional surveys (social, marketing, audience and public opinion research).

Mr. Stoyanov is Senior Assistant Professor in the Department of Economic Sociology at the University of National and World Economy in Sofia.
