Biography of Presenter

Andrew has over 25 years of experience in monitoring and evaluation, 15 of which were spent with Canadian Government departments and agencies, namely Communications Canada, the International Development Research Centre (IDRC), and the National Research Council of Canada (NRC). He worked as a Regional Monitoring and Evaluation Coordinator with the International Planned Parenthood Federation –Africa Regional Office (IPPFARO) in Nairobi, Kenya and served as an Evaluation Advisor to the Ministry of Social Development of the Government of Trinidad and Tobago through the Commonwealth Fund for Technical Cooperation (CFTC). Andrew had his undergraduate education at Université Laval in Quebec City, Quebec and pursued graduate studies at the Norman Paterson School of International Affairs at Carleton University in Ottawa and at the University of Toronto, Toronto, Ontario.
